They recently put a "BAYES CEMETERY" sign along the road, front & center of the cemetery. It is a very nice granite stone sign.

As for the names in the Bayes family tree that were posted in the Civil War Vet list, they are in my information that I have in the database and sure they were in the info I sent you. I did send several parts as the file is quite large. The rft text report is now 119 pages long and the text file size is 1.3MB unless I zip it. I zipped and made a self extracting .exe file out of it and then the size is 147KB and much easier to email. Now on your end you receive a file called Bayes.exe - click it open and it, a pop up box will come and say it is an unlicensed version, click "ok" and then on box behind click "unzip" and it should unzip the file and put a Bayes.rtf icon on your computer desktop. Click the icon on your desk top and it should open in wordpad.

When I spoke with Roena this afternoon I mentioned how may Great Great Aunt Alice B Cunningham (Holibaugh) went to live with her Niece Anna Mae Akin Richardson when she was in advanced age. I was looking at James and Martha Bayes and their Children and Jane one of WC's Sisters went to live with Aunt Allie when she was at an advanced age. and in my notes I found that one of Billy's sisters was named Elizabeth or Libby and she married a man named Snyder it is all beginning to fit together

My impression is that WC Married Hanna and had Emma. Hanna died about a year after Emma was born, then he married a Mary Ann (???) with whom he had the remainder of his children followed by the 3rd wife Catherine is that the correct order? I am looking at Marks Descendents tree

I thought Hannah was Emma's mother ,but it was Mary Ann that was Emma's mother and Catherine was the third wife

Do we know what happened to Hannah? Did they divorce or did she pass away and that is when he married Catherine

I may have found the missing DAR link that I mentioned Try Emma Bayes Cunningham Russell W.C. Bayes daughter b 1850 In my notes I show where she may have been the one who was a member of the DAR.

I;m not sure where she lived in later years, but I somehow remember Canton comes to mind I do not recall where she is buried Could be Fredericksburg Cem. I somehow remember seeing a Russell monument

Subject: 8th Air Force

When we talked you mentioned being a part of the 8th Air Force When I lived in GA I went to Savannah where they have a Museum for the 8th Air Force and I had the privilege to meet some of the fellows a real honor.

When I went to Dover Del for Command and General Staff College, they took us over to Dover AFB where they had restored I believe a B-17 I remember it had a Tail Gunner pod. They said the fellow that worked it, crawled (I guess he had to slide feet first) into the Pod and spend the entire mission in it. It looked like he rode with his knees in his chin. Had to be very uncomfortable especially looking at someone attacking you

Form some notes I found last night My Dad who was in the Army, Combat Engineers he mentioned going to LeHarve France and camp Lucky Strike Then onto Denat (?) Belgium Bavine (?) Then onto Germany He then says the War ended and he went to Fontenbleau France for 8 weeks training for OCS then to Rehms France and at the end of the was a driver for a General Wish I could remember his name he indicated that the General was the Chief of Staff at that time

My guess is from the notes this all occurred between 1943-1945

For several years we had a group of Veterans that would go to the High Schools and ask the students to write an essay on the Significance of Pearl Harbor We had several WWII Vets and my favorite person to go to the schools with was an actual Pearl Harbor Day Survivor named Ralph Wingerter He was from Akron Ohio, and worked at Superior Machine in Akron after school. He had some German Uncles that were in WWI and they would come over on weekend and discuss where they thought the war would start for the US. They thought the Philippines or Panama Ralph and his brother joined the Army Air Corps but the only places they could be sent was Panama or Hawaii. Flipped a coin and Ralph ended up in Hawaii

He worked in Hanger 17 the only hanger that was hit , the other two side by side were missed. Ralph worked the night shift and had just gotten off when the attack occurred He remembers standing in line for chow, and hearing an explosion It was the Fire Dept. after that he and his buddy broke into the Arms room got a 1911 Springfield Rifle and started shooting at planes., later in the day they went into town to get something to eat and the only place open was a Japanese Restaurant The fellow

lent them some money and he sent a telegram to Wright Pat telling them that the Blue Prints for the Planes had been destroyed, and another telegram to his folks in Akron that he was fine.

I mentioned to MArk, that My Dad lived on a Farm in Richfield, I guess that is a section in Holmes Co and is where the farm is today owned by the Amish

We have received a copy of the Re-
constructor, a new journal published
at Summerland, Cal., by the Re-
struction Publishing Co. and edited
by Prof. J. S. Loveland, who is an
able and well informed writer. The
paper is an exponent of Modern Spir-
itualism and mailed for \$1.00 a year.

The case of Egnew vs. Brown oc-
cupied the attention of the Common
Pleas Court the past week. The case
was one in which W. S. Egnew entered
suit against Dr. Brown for alleged
malpractice in dressing a knife wound
on plaintiff's arm, the arm having of-
tunately to be amputated to save life.
Damages were asked in the sum of
\$5,000. The case was given to the jury
Wednesday noon, and after being out
about eight hours they returned a
verdict of "no cause of action."

Lawrence Fluhart a son of the
former editor of the Fulton County
Tribune, shot a young man at Conti-
nental last week. Fluhart Sr. is the
editor of the Continental News and
bitter feeling exists between that pa-
per and its rival the Enterprise.
Young Fluhart and a young man em-
ployed on the Enterprise got into in-
terference and the Enterprise man
struck Fluhart when Fluhart whip-
ped out a revolver and fired, the
heavy clothing of his adversary and
a package of letters in his pocket pre-
venting the ball from inflicting any
serious injury. Fluhart was arrested
but his assailant declining to prose-
cute he was released.

C. J. McKenzie and David Mikese-
ll have invented a double force pump
involving a new principle in its con-
struction that it is claimed will de-
liver more water with less power than
any pump on the market. The pump
is made entirely of metal without
leather valves or suction and appears
to be ever lasting, as to durability.
It will meet the demand for a pump
that will elevate water from the deep
wells of this section with a small
amount of power and deliver it rap-
idly, a pump that will enter a two
inch pipe throwing a inch contin-
uous stream.

W. H. Lowe, the former partner of
J. D. Riddle in the hardware business
here, died very suddenly at his home
in Shelby, O., last Monday. Mr. Lowe
had been sick for some time with ma-
larial fever, but had recovered suf-
ficiently to be about and had made
several trips down town, but was
still very weak. Monday afternoon
without any previous warning, he
was taken with a sinking spell, and

4th of July!

WAUSEON WILL CELEBRATE.

The Wauseon Base Ball Club will
celebrate the glorious fourth at the
S. W. Ohio Fair Grounds. The cele-
brated Genoa, Ohio, ball team have
been secured at a great expense. They
are a salaried team and play great
ball.

Two games will be played, one at
9:30 a. m. and one at 2 p. m. In ad-
dition to the ball games there will be
half mile running races; 100 yds. run-
ning races, sack races, potato races
and bicycle races. Valuable prizes
will be given to winners of each race.

In the evening there will be a grand
display of fireworks on Fulton street.
Turn out, everybody, and see the
games and show that you appreciate
the boys' efforts to celebrate the glo-
rious fourth.

Carey Hall will pitch for Wauseon,
and the mate will electrify the people
with his base slides.

James Bayes, an old resident of the
county died at his home near Pettis-
ville on Monday last, aged about 62
years. He settled here when the
country was nearly all wilderness and
hewed out of the forest a fine home
and pleasant surroundings which he
occupied until his death.

His health has not been good for
more than three years past, but it is
only within the past year that his dis-
ease developed into a tumor or can-
cer of the stomach, which caused his
death. Mr. Bayes was a most esti-
mable citizen, upright and conscien-
tious in all the affairs of life, kindly
disposed toward all mankind and
faithful in every duty. He leaves a
wife, who is also very ill, and five chil-
dren, all married, to mourn his loss
and cherish his virtues.

\$3.00 Reward.

The Wauseon Tennis Club will pay
\$3.00 reward to any one who will give
such information as will lead to the
arrest and conviction of party or par-
ties who committed depredations up-
on their tennis court last Saturday
evening.

Reunion.

The happiest event of the season
was the reunion of the 1890 A. F. and
visiting comrades and invited guests
at the residence of Comrade J. H.
First, June 24, 1890. The prayer and
address of welcome delivered by F. H.

vention received the Chatauqua sa-
lute. The other officers were re-elect-
ed with the exception of Mrs. Dr.
Richards, she resigning on account of
ill health. Mrs. C. S. Spillane was
elected in her place.

An eloquent contest was held
Friday afternoon in which eight
young ladies and one young gentle-
man from different parts of the dis-
trict competed for the "Demorest sil-
ver medal." Miss Laura Coats, of
Wauseon, won the medal.

Prof. F. V. Irish and other admin-
istrators of the city did much to encourage
and aid in the work of the conven-
tion.

The "Y" entertainment was inter-
esting, consisting of solos, recitations
and papers by the young ladies and
young gentlemen also, proving that
they too are interested in this good
work of "God home, and every land."

No saloons in Hecksville shows
which way the wind of public senti-
ment has been blowing. The house
was well filled at every session espe-
cially in the evening. The music ren-
dered by the male quartet was very
fine. Also that by the "Y" quartet
was very much appreciated.

This ended one of the most suc-
cessful conventions ever held by the
W. C. T. U. in this district.

That the beneficial interest of and in the said estate so devised to the said Eliza Bayes in and to said last described real estat, being ~~seventy eight (78)~~ ^{77 1/4} acres, more or less, hath terminated, by the undertaking and agreement of the said Eliza to convey her said estate and interest to the said Catharine, Jane, Annie and Alice, for and upon valuable and adequate consideration. That it is for the best interests of all concerned that the said sale and distribution be made a part of this proceeding to the end that thereby may be saved the expense and costs of and incident to an independent proceeding solely for such purpose. That the said Peoples Bank, a partnership formed for the purpose of and doing business in and by that name in said Fulton county hath a lien by way of mortgage of and upon certain of the said described real estate.

* Wherefore the said plaintiff prays that all and singular the said parties defendant be duly notified of the filing, pendency and prayer hereof, that an account be taken of the amount of the said unpaid indebtedness and expenses of administration, that the court find the fact as to the necessity of the making of sale of such portion as may be requisite of the said real estate for the payment of debts and expenses of administration; that the court also determine as to the right and propriety of the sale of said east ~~seventy eight~~ ^{seventy and one fourth} acres more or less for the purposes of distribution and that all of the said lands be appraised and so much of the said westerly portion of lands in said ~~quarter~~ ^{South West quarter of} section twenty-nine sold for the payment of debts and expenses of administration as may be necessary for that purpose; and that the easterly portion, that is so much as is in the east half of south west quarter of said section twenty-nine be sold and the proceeds of sale thereof divided among and paid to the said Alice, Annie, Jane and Catharine, daughters of said decedent; and for such other and further order as may be necessary for the carrying into effect so far as may be of the intent of said testator and the administration of said estate according to law and the said will.

We have received a copy of the Reconstructor, a new journal published at Summerland, Cal., by the Reconstruction Publishing Co. and edited by Prof. J. S. Loveland, who is an able and well informed writer. The paper is an exponent of Modern Spiritualism and mailed for \$1.00 a year.

The case of Egnew vs. Brown occupied the attention of the Common Pleas Court the past week. The case was one in which W. S. Egnew entered suit against Dr. Brown for alleged malpractice in dressing a knife wound on plaintiff's arm, the arm having ultimately to be amputated to save life. Damages were asked in the sum of \$5 000. The case was given to the jury Wednesday noon, and after being out about eight hours they returned a verdict of "no cause of action."

Lawrence Fluhart a son of the former editor of the Fulton County Tribune, shot a young man at Continental last week. Fluhart Sr. is the editor of the Continental News and bitter feeling exists between that paper and its rival the Enterprise. Young Fluhart and a young man employed on the Enterprise got into an altercation and the Enterprise man struck Fluhart when Fluhart whipped out a revolver and fired, the heavy clothing of his adversary and a package of letters in his pocket preventing the ball from inflicting any serious injury. Fluhart was arrested but his assailant declining to prosecute he was released.

U. J. McKenzie and David Mikesell have invented a double force pump involving a new principle in its construction that it is claimed will deliver more water with less power than any pump on the market. The pump is made entirely of metal without leather valves or suction and appears to be ever lasting, as to durability. It will meet the demand for a pump that will elevate water from the deep wells of this section with a small amount of power and deliver it rapidly, a pump that will enter a two inch pipe throwing a 1 inch continuous stream.

W. B. Howe, the former partner of J. Q. Riddle in the hardware business here, died very suddenly at his home in Shelby, O., last Monday. Mr. Howe had been sick for some time with malarial fever, but had recovered sufficiently to be about and had made several trips down town, but was still very weak. Monday afternoon without any previous warning, he was taken with a sinking spell, and

WAUSEON WILL CELEBRATE.

The Wauseon Base Ball Club will celebrate the glorious fourth at the N. W. Ohio Fair grounds. The celebrated Genoa, Ohio, ball team have been secured at a great expense. They are a salaried team and play great ball.

Two games will be played, one at 9:30 a. m., and one at 2 p. m. In addition to the ball games there will be half mile running races; 100 yds. running races, sack races, potato races and bicycle races. Valuable prizes will be given to winners of each race.

In the evening there will be a grand display of fire works on Fulton street. Turn out, everybody, and see the games, and show that you appreciate the boys' efforts to celebrate the glorious fourth.

Carey Hall will pitch for Wauseon, and the nite will electrify the people with his base slides.

James Bayes, an old resident of the county died at his home near Pettisville on Monday last, aged about 62 years. He settled here when the country was nearly all wilderness and hewed out of the forest a fine home and pleasant surroundings which he occupied until his death.

His health has not been good for more than three years past, but it is only within the past year that his disease developed into a tumor or cancer of the stomach, which caused his death. Mr. Bayes was a most estimable citizen, upright and conscientious in all the affairs of life, kindly disposed toward all mankind and faithful in every duty. He leaves a wife, who is also very ill, and five children, all married, to mourn his loss and cherish his virtues.

\$3.00 Reward.

The Wauseon Tennis Club will pay \$3.00 reward to any one who will give such information as will lead to the arrest and conviction of party or parties who committed depredations upon their tennis court last Saturday evening.

Reunion.

The happiest event of the season was the reunion of the 1900 N. Y. and visiting comrades and invited guests, at the residence of Comrade J. H. First, June 29, 1890. The prayer and address of welcome delivered by J. H.

vention received the Chatauqua salute. The other officers were re-elected with the exception of Mrs. Dr. Richards, she resigning on account of ill health. Mrs. C. S. Spillane was elected in her place.

An elocutionary contest was held Friday afternoon in which eight young ladies and one young gentleman from different parts of the district competed for the "Demorest silver medal." Miss Laura Coats, of Wauseon, won the medal.

Prof. F. V. Irish and other ministers of the city did much to encourage and aid in the work of the convention.

The "Y" entertainment was interesting, consisting of sales, recitations and papers by the young ladies and young gentlemen also, proving that they too are interested in this good work of "God home, and every land."

No saloons in Hecksville shows which way the wind of public sentiment has been blowing. The house was well filled at every session especially in the evening. The music rendered by the male quartet was very fine. Also that by the "Y" quartet was very much appreciated.

This ended one of the most successful conventions ever held by the W. C. T. U. in this district.

We have received a copy of the Re-
constructor, a new journal published
at Summerland, Cal., by the Re-
struction Publishing Co. and edited
by Prof. J. S. Loveland, who is an
able and well informed writer. The
paper is an exponent of Modern Spir-
itualism and mailed for \$1.00 a year.

The case of Egnew vs. Brown oc-
cupied the attention of the Common
Pleas Court the past week. The case
was one in which W. S. Egnew enter-
ed suit against Dr. Brown for alleged
malpractice in dressing a knife wound
on plaintiff's arm, the arm having ul-
timately to be amputated to save life.
Damages were asked in the sum of
\$5 000. The case was given to the jury
Wednesday noon, and after being out
about eight hours they returned a
verdict of "no cause of action."

Lawrence Fluhart a son of the
former editor of the Fulton County
Tribune, shot a young man at Conti-
nental last week. Fluhart Sr. is the
editor of the Continental News and
bitter feeling exists between that pa-
per and its rival the Enterprise. Young
Fluhart and a young man em-
ployed on the Enterprise got into in-
altercation and the Enterprise man
struck Fluhart when Fluhart whip-
ped out a revolver and fired, the
heavy clothing of his adversary and
a package of letters in his pocket pre-
venting the ball from inflicting any
serious injury. Fluhart was arrested
but his assulant declining to prose-
cute he was released.

C. J. McKenzie and David Mikesell
have invented a double force pump
involving a new principle. In its
construction that it is claimed will de-
liver more water with less power than
any pump on the market. The pump
is made entirely of metal without
leather valves or suction and appears
to be ever lasting, as to durability.
It will meet the demand for a pump
that will elevate water from the deep
wells of this section with a small
amount of power and deliver it rap-
idly, a pump that will enter a two
inch pipe throwing a inch contin-
uous stream.

W. H. Howe, the former partner of
J. O. Riddle in the hardware business
here, died very suddenly at his home
in Shelby, O., last Monday. Mr. Howe
had been sick for some time with ma-
larial fever, but had recovered suffi-
ciently to be about and had made
several trips down town, but was
still very weak. Monday afternoon
without any previous warning, he
was taken with a sinking spell, and

WAUSEON WILL CELEBRATE.

The Wauseon Base Ball Club will
celebrate the glorious fourth at the
N. W. Ohio Fair Grounds. The cele-
brated Genoa, Ohio, ball team have
been secured at a great expense. They
are a salaried team and play great
ball.

Two games will be played, one at
9:30 a. m., and one at 2 p. m. In ad-
dition to the ball games there will be
half mile running races; 100 yds. run-
ning races, sack races, potato races
and bicycle races. Valuable prizes
will be given to winners of each race.

In the evening there will be a grand
display of fire works on Fulton street.
Turn out, everybody, and see the
games and show that you appreciate
the boys' efforts to celebrate the glo-
rious fourth.

Carey Hull will pitch for Wauseon,
and the mute will electrify the people
with his base slides.

James Bayes, an old resident of the
county died at his home near Pettis-
ville, on Monday last, aged about 62
years. He settled here when the
country was nearly all wilderness and
lived out of the forest a fine home
and pleasant surroundings which he
occupied until his death.

His health has not been good for
more than three years past, but it is
only within the past year that his dis-
ease developed into a tumor or can-
cer of the stomach, which caused his
death. Mr. Bayes was a most esti-
mable citizen, upright and conscien-
tious in all the affairs of life, kindly
disposed toward all mankind and
faithful in every duty. He leaves a
wife, who is also very ill, and five chil-
dren, all married, to mourn his loss
and cherish his virtues.

\$3.00 Reward.

The Wauseon Tennis Club will pay
\$3.00 reward to any one who will give
such information as will lead to the
arrest and conviction of party or par-
ties who committed depredations up-
on their Tennis Court last Saturday
evening.

Reunion.

The happiest event of the season was
the reunion of the 1890 V. I. and
visiting comrades and invited guests
at the residence of Comrade J. H.
First, June 29, 1890. The prayer and
address of welcome delivered by J. R.

vention received the Chataqua sa-
lute. The other officers were re-elected
with the exception of Mrs. Dr.
Richards, she resigning on account of
ill health. Mrs. C. S. Spillage was
elected in her place.

An eloquentary contest was held
Friday afternoon in which eight
young ladies and one young gentle-
man from different parts of the dis-
trict competed for the "Democrat
silver medal." Miss Laura Coats, of
Wauseon, won the medal.

Prof. F. V. Irish and other admin-
istrators of the city did much to encourage
and aid in the work of the conven-
tion.

The "Y" entertainment was inter-
esting, consisting of solos, recitations
and papers by the young ladies and
young gentlemen also, proving that
they too are interested in this good
work of "God home, and every land."

No saloons in Hinksville shows
which way the wind of public senti-
ment has been blowing. The house
was well filled at every session espe-
cially in the evening. The music ren-
dered by the male quartet was very
fine. Also that by the "Y" quartet
was very much appreciated.

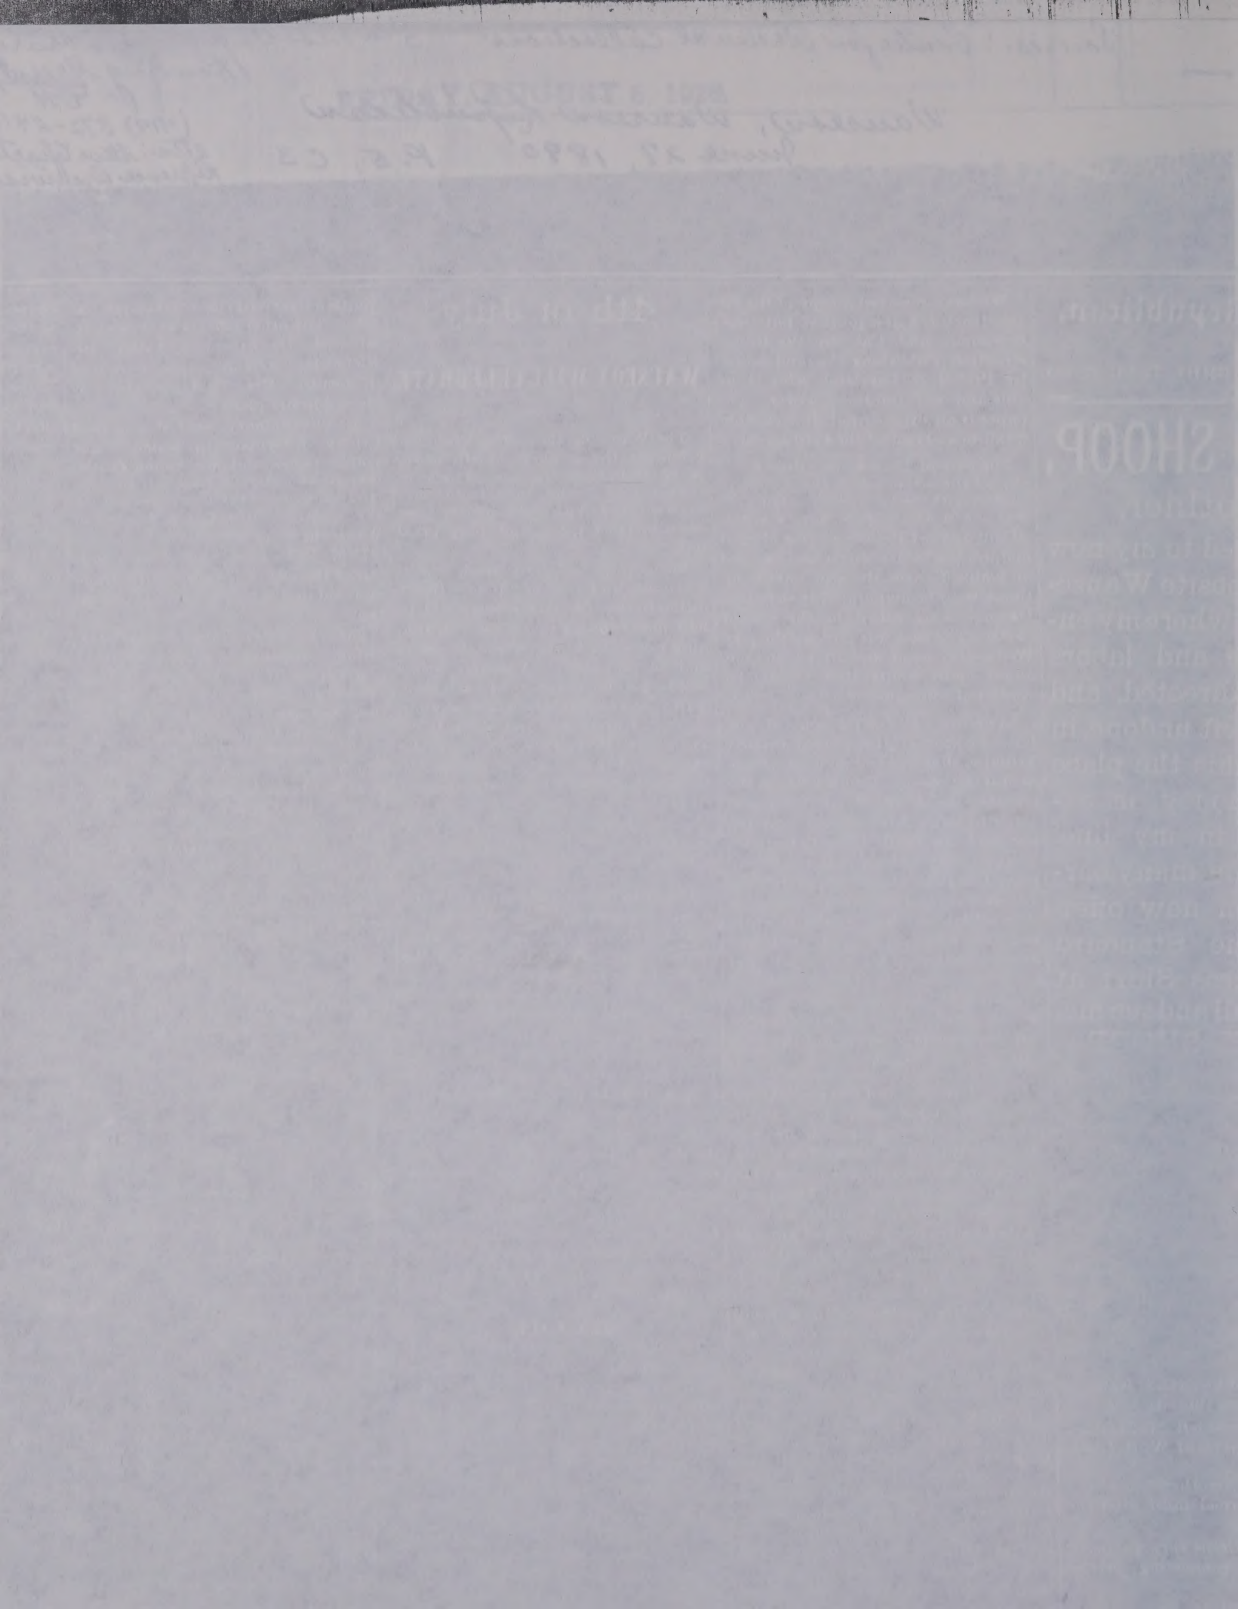

This ended one of the most suc-
cessful conventions ever held by the
W. C. T. U. in this district.

Miss, ELIAS S.

ED BAYES KILLED BY FAST TRAIN

**Pettisville Farmer Stalls
Car on N. Y. C. Tracks
Wednesday**

WIFE ESCAPES

Ed Bayes was instantly killed Wednesday evening when a west bound fast train on the New York Central struck his automobile on the crossing one mile east of Pettisville. His wife who was with him escaped from the car before the train hit it. The accident occurred shortly after seven o'clock.

Mr. and Mrs. Bayes were driving from their farm, which is a half mile south of the crossing, to Wauseon. As they approached the railroad, Mr. Bayes slowed down to avoid jolts, as the crossing is rough. The car stalled on the center of the three tracks. Mrs. Bayes got out of the car, and urged Mr. Bayes to do the same, but he was intent on starting the engine, when the fast train bore down upon him hitting the car and carrying it down the tracks a distance of about one hundred and fifty feet. He was not thrown clear of the machine but was dead when picked up. Practically every bone in his body was broken. The car was a complete wreck.

Mr. Bayes who was 67 years old, had lived on this farm, which was the old homestead, all his life, and had always crossed the tracks where he met his death Wednesday.

He was a good natured, industrious man, a friend to everyone, and a splendid neighbor. Besides his wife he leaves a daughter, Mrs. Russell Gasche of Wauseon, a son Guy Bayes of Coldwater, Mich., a sister Mrs. Jennie Reith of Chicago besides nieces and nephews.

Services Held for W. F. Stout of Whiteville

William F. Stout, a life long resident of Fulton county was buried last week in the cemetery on the "Ridge" near his farm home in

with results. If there is one thing that pleases professional politicians more than any other it is jobs to hand out to the faithful. It is the jobs they can land that makes their organization strong, is the reasoning of the politicians; but they some times overplay the game and the people rebel and at the next election defeat these greedy professionals. That is what is now generally predicted will happen in Ohio in the election next year.

More Taxes, More Jobs

Under the lash of Governor White the legislature passed a law assessing a tax of one cent against every ten cigarettes in a package. Although the governor was pledge to economy and tax reduction he forced through the legislature this new tax for the state of Ohio. It is estimated that it will take from the pockets of the people of Ohio at least \$6,000,000, each year and it is stated that most of these millions in tax will come from the pockets of the poor man.

The more jobs a new law will create the more the politicians bend every effort to have it enacted. So with this cigarette tax law it opened a great field for jobs and Governor White will see to it that they are not disappointed.

The Cigarette Tax Chief

The first appointment to be made under the new cigarette tax law was announced last week. Frank Miller, a real estate dealer of Paulding Center, Paulding county, was named by Governor White as superintendent of the cigarette tax division of the Ohio tax commission. His appointment was effective as of August 1, and his salary as a starter was fixed at \$3,000 a year.

But that is only the beginning for it is announced that the state is to be divided into districts for each one of which an examiner-inspector will be appointed to see that the cigarette law is enforced. The tax commissioner said that he had no idea how many examiner-inspectors would be needed. What an opportunity to give out political jobs to faithful Democrats to build an organization.

Hand of Governor Cox

Frank Miller, the new cigarette tax chief, was a former secretary of ex-Congressman Timothy T. Ansberry of Defiance. Cox and Ansberry were close political friends and spent much of their leisure time together. Cox was a frequent visitor at the

Death of Mrs. Frank Snyder.

Elizabeth Mary Snyder (nee) Bayes was born on May 17, 1840. She was born in Paint township, Holmes county, Ohio. Here all her childhood and young womanhood days were spent. On January 8, 1861, she was united in marriage with Frank Snyder. About three years after their marriage they moved to Saltcreek township to their late home. Here for 45 years they toiled together. While no children were born to them, yet their home soon became the home where the fatherless found a refuge. Tenderly she loved them and cared for them. She became a mother in love and affection to these little ones.

About 45 years ago with her husband, under the pastorate of Rev. Card, she united with the Methodist Episcopal church. She was a faithful member of the church until her death. During the last two years of her life, failing health would not permit her regular attendance upon the services of the church, but she always inquired after the welfare of the church. She died at her home on June 8, 1909, aged 69 years and 21 days. Funeral services were held at the home conducted by the pastor of her church. Interment in the cemetery at Fredericksburg.

Millersburg Chautauqua.

The management of the Millersburg Chautauqua takes pleasure in announcing to the public that the fourth annual session of that institution will be held July 23-31, 1909. The chautauqua sessions have been growing in interest from year to year and we dare to hope that the coming one will prove no exception but that it will be the best yet held. We propose some changes in the manner of conducting the chautauqua this year. Changes which we believe will meet the approval of all our patrons. First you will note the date is much earlier than ever before. This is for two reasons, to enable those who go away from home in August to enjoy their usual vacation and to avoid the cold nights which for the last to seasons have caused us some annoyance.

We believe the early date will meet with approval. It is also proposed to give more evening sessions. Many of our valued patrons are employed during the day and can only attend in the evening. This year there will only be two afternoon sessions during the week. Thus every one will get the benefit of nearly all the programs. Another innovation will be the Sabbath service. This will be held in the morning, all the churches dismissing their services and uniting in a union service on the Chautauqua grounds. This service will be free. An offering will be taken instead of the charge at the gate. An able preacher will be secured for the occasion. In the evening Prof. Byron W. King will give one of his celebrated Bible readings. All will be glad to hear that we have secured Prof. King for two evenings this year. We are preparing to give you other attractions which we are sure will please. The complete program will soon be announced.

Dear Roena

Sorry to take so long to get back to you. Its quite hard for me to get to Wauseon Library to look at micro film. I had been there a couple mo ago but could not find anything. So I finally had to go to court house again to day so got another chance to look. I went thru all three newspaper but still did not find an obit for James Bayes. I went over them a sec time even today. I finally found one for Eliza in the Expositor. Nothing in Tribune or The Republican. I would like to know where you saw an index. We would like one. Tho what you had for roll numbers wasn't right. roll 9 was 1890. and roll 14 was 1910. I'm sending you a copy of Eliza's obit. If I get another chance I'll try & look again. There was just no obits at all before 1900 in papers. It seems so funny too. What you sent is sufficient.

Dear Ms. Bayes,

In going through some recent issues of HOLMES CO. HEIRS I noticed your inquiry about John & Agnes Bayes, listed in the Parker Cemetery. Since the Bayes family settled near here very early I have accumulated several notes on the family along with other early settlers.

I am enclosing a copy, hoping that these might be part of your family. I also will keep the name on my list as I read microfilm, etc. at the Holmes Co. Library.

Some years ago a letter was referred to me from one of our local township trustees about the same burial. Perhaps you would like to (or perhaps already have) correspond with her: Anna L. Buda

R.Rt. # 2

Bryan, OH 43506

That was before I had found the above information.

You probably noticed that James Bayes was one of the Administrators of John Bayes (1852) on page 84 of HOLMES CO. HEIRS newsletter. Perhaps those papers would give you a clue. I will check them for you at the Court House, if you have not already requested them.

Have you ever come to this area to do research? We have a local Historical Society that is trying to provide a place for materials to be used for research. I am enclosing our annual newsletter. Perhaps you would be willing to share your family information for our archives. It would be much appreciated especially since yours was such an early family.

I have ancestors, GINDLESBERGER & ROHRER, that came here about 1819 from Washington Co., MD, which would be in your general area!

Let me know if I can help you further.

Sincerely,

Caroline Mohr

(Mrs. Robert)

What's Been Happening in the Village?

Save the Peter's School Project

Major progress has been made with the old Peter's School. It has been lovingly dismantled with a lot of volunteer labor. When the weather permitted, many young, and not so young, men spent weekends on the project. It will be reconstructed on the site beside the log cabin in Heritage Park.

Anyone who has an interest in saving the school and can donate assistance - either in cash or in labor - will be greatly appreciated.

School house furniture and memorabilia to furnish the building is also needed.

Other Property Updates

The Township House has a new tenant. Cheryl Keim has opened a business called "Unique Treasures". The building has been painted recently in shades of gray with wine trim. Joe Brand, the former renter, bought a house across the street and moved his accounting business to larger quarters.

John and Marge Watts are still renting space in the Kinsley Building for their business, the Winesburg Collectibles. The renovation to the basement of the building was completed this year.

Winesburger's Signatures on Display

A cloth embroidered with Winesburg signatures from 1904 was donated to the society by Karl and Dorothy Siedschlag, in memory of Dorothy's parents, Clyde and Ocala Hostettler. The cloth was framed and hung in the Winesburg Commercial and Savings Bank so it could be enjoyed by the community.

A new signature cloth project is underway with Linda Pacula in charge. She is collecting signatures of current Winesburgers and will be embroidering them on a cloth. The linen was donated by the English Ladies Shop and the floss by the Stitch House, both in Berlin.

Donations to the Museum

A collection of memorabilia belonging to the late Dr. Robert Sunkle was donated to the society by Mrs. Judith Whitaker of Hillsdale, Michigan. (Dr. Sunkle was a teacher in the area before he became a doctor in the Cleveland area. A trust fund from his estate helps maintain our two cemeteries.) Most of the items were clothing but there was also a diary of Dr. Sunkle's trip around the world, as well as song books, newspaper clippings photographs and other papers.

One Man's Junk is a Museum's Treasure

Do you have any pictures of Winesburg people or places from the early days? The museum could use originals or copies for their archives.

How about books, clothing or household items? Don't throw anything away that could be used to show life the way it was in the old days of Winesburg, without contacting a member of the historical society.

Financial News

In 1992 the society had receipts of \$6444.00 from membership dues and rent of the township and Kinsley buildings. A special gift of \$150 was received from the Exxon Corporation to match that of Paul Pope's contribution.

Expenditures in 1992 were \$12,654.83 for improvements and maintenance on the Kinsley house, and \$781.83 on school house materials. A fireproof filing cabinet was purchased for \$734.96 to keep our important papers safe. Just to keep you up-to-date, we have already spent almost \$874 in 1993 for paint and a needed new dehumidifier.

The society cannot exist without members. We encourage you to join the society to help keep our heritage from being lost for future generations. Exciting plans are already underway for the 1995 reunion.

Please take a moment to fill out the form on the opposite page and mail it today. Makes checks payable to the Winesburg Historical Society and mail to P.O. Box 108, Winesburg Oh 44690

An Opportunity to Help the Community

At the April meeting, the society was asked to contribute to the Winesburg Community Council's first fundraising effort. The council is a non-profit tax exempt corporation that was formed to aid in the progress of Winesburg.

The council's first project is to put up a building to be used as a doctor's office. (Dr. Jeffrey Starre will be starting a fulltime practice in the village on August 1.) The building will be leased to the doctor with the understanding he will buy it in a few years. Proceeds from the sale of that building will be used for other improvement projects in the village.

To date almost \$50,000 has been donated in cash, or materials and labor. If you would care to contribute through the society, please indicate that on the form below and include with your check.

Dear Caroling Mohr,

What a great boost to my sub degree temp. snow and ice bound morale to receive your letter with some new leads. Of course I intended to write the very next day with a big thank you! One month? Inexcusable! I have however put together some of what I have collected about the BAYES FAMILY from the time they left Somerset Co. Turkeyfoot Twp., PA. I have tried to include documentation. Omitted are the Estate papers of John, Sr. as that would have been another fifteen pages but if you would like to have those also, I will photocopy them. They do provide relationships in many cases. There are so many Johns, Williams and Thomases along with divorces and multiple marriages that sometimes I feel like giving up and leaving it for some one else to tackle if they so desire. What I'm saying is, what I'm sending is my best shot at this time. I hope if anyone looking at it and finds errors or editions they will let me know. When I saw GINDLESBERGER as one of your ancestors, I remembered that one of William C. Bayes' wives was a Gindelsberger. Have not searched thoroughly the divorce records.

You mentioned in your letter, Anna L. Buda. Her mother Florence (Bayes) Buda and my dad, Roy Bayes were brother and sister. For several years she and I would spend four or five days in and around Holmes Co. We loved it and often wondered why most of our male ancestors relocated to the Black Swamp. Most of them along with the MIKESELLS, HALEYS, and others settled in Williams, Defiance and Fulton counties. We have not been able to make our trip for the last two years as my brother has needed more and more care and is now in a nursing center so I haven't even been able to visit relatives in Ohio for some time.

Now about the BAYES FAMILY INFO. sheet: I have numbered the items and will refer to them by number.

1. I have no document that proves when the fam. arrived in Holmes Co. Need this for First Fam. of Ohio.
2. We found the marker for Agnes but think we probably misread the four for a one.
3. We have this document.
4. Need a copy of this document.
5. Is the "Farmer-Hub" a Holmes Co. paper? Can you suggest where I should write for this?
6. We have Jonathan's Will.
7. And we went to the Dundee Cem. and have photos of the stones.

Our next trip included plans to search the Jacob and Ann (Bayes) King family. Nothing has given us the maiden name of James wife Martha. Keep hoping for an obit that would tell us but so far no luck. I doubt that we will be able to see Holmes Co. this summer as I don't think I can leave the area for that length of time.

Just got a computer and don't know how to work the thing.
Inclosed is a small donation. If you would want to copy the #4
document at the court house, it would be greatly appreciated.
Your Winesburg Historical Society's work sounds wonderful, and
looks like you have excellent planners and much foresight. Use
the rest of the donation for whatever project you like.

Again, thanks for your interest and help. Look forward to
hearing from you.

Sincerely,

Roena Bayes

against
 Martha Bayes, Franklin Snyder
 and others Defendants

Answer & Cross Pe-
 tition of Franklin
 Snyder

The defendant, Franklin Snyder, by way of answer & cross petition says:

That he is the son in law of James Bayes deceased, and was such at the time hereafter mentioned.

In the month of August 4th 1863, said James Bayes, then in full life, and this defendant, Franklin Snyder, purchased from one John Simpson the land described in the petition for the agreed price of sixty five dollars per acre - and the deed therefor was made to said James Bayes as the sole grantee, vesting in him the legal title thereto. It was then agreed between the said James Bayes and this defendant that this defendant should assist in the payment of the agreed purchase price of said land, and should have an interest in said land in proportion to the amount he should so pay; and if said land should be sold ~~for more than its value~~ then this defendant should have out of the proceeds

sum of two hundred and only six dollars for a
 better price - said several sums deposited in
 the aggregate to \$1766. All of said sums of money
^{were} faithfully applied by said James Bayes in part
 payments made by this defendant on the purchase
 of said land from said Simpson according to the
 terms and stipulations of said contract.

Said land now is of much greater value than \$18 an
 acre, and is of the value of \$ per acre.

This defendant says that by reason of the
 aforesaid contract and the payment of said
 several sums of money, and their application
 as aforesaid, this defendant hath an equita-
 ble estate and interest in said land, and
 that said James Bayes had the legal title
 to said land and the proportionate interest of
 this defendant therein as the trustee of this
 defendant.

This defendant asks that out of the proceeds of
 the sale ordered by this court of said real estate in
 the hands of said executor he may be ordered, after first
 paying the costs of this action, to first pay to this defendant
 said sum of nineteen hundred & sixty six dollars together with
 all expenses on the sale of said real estate by said executor and
 above \$18 an acre on the proportionate number of
 acres equitably belonging to this defendant, and that he
 interested in said land may be determined and fixed, and
 such other relief as may be right and equitable.

testament was filed in the Probate Court of said

County, and on the 26th day of April A.D. 1882, duly admitted to Probate and records therein, That, on the 26th day of April A.D. 1882, this plaintiff was, by said Probate Court, appointed as sole executor of said last will and testament of said deceased, and duly qualified as such executor. That the said James Bayes died leaving the above named Martha Bayes his widow, who now resides in Defiance County Ohio, William Bayes, Jane Bayes, Ann King, formerly Bayes, whose husband's name is Jacob W. That said debts of said deceased amounting

to about Twenty Eight hundred Sixty six & 82/100 dollars (\$2866⁸²) have already been presented to this Plaintiff. A schedule of said debts is hereto attached and marked exhibit "A". That the costs of administration will amount to about three hundred and fifty Dollars (\$350⁰⁰). That the total value of the personal estate and effects of said ~~decedent~~ decedent is about Six hundred Eighty two & 83/100 Dollars (\$682⁸³), being wholly insufficient to pay the debts, amounts and costs aforesaid.

Said Plaintiff further says that items second
and third of said last will and testament, are
as follows:

Item 1st. To gratify a desire of my said wife Martha

Said plaintiff further says that by and in the foregoing items and other portions of said last will and testament it is provided that the real estate of said decedent shall be sold by the executors of said will, and that the proceeds thereof shall be distributed according to the terms thereof. Said Plaintiff further says that the said Martha Bayes, widow of said James Bayes, deceased, has not elected, and does not intend to elect to take under the will of said deceased, or to accept the provisions made for her therein, but does elect to be endowed of the lands of her said husband, and to take her distributive share of his personal estate, and is entitled to dower in all of the real estate described in this petition and whereof said James Bayes died seized.

Said Plaintiff further says that the defendant Franklin Snyder claims to have some interest to and in the real estate in this petition described, which is in part contingent, the precise amount of said interest and claims contingent and otherwise is to the Plaintiff unknown.

Wherefore, said Plaintiff prays that each and every of said defendants may be made parties defendant, to these proceedings, that each and every of them may be required to set up and disclose any title or interest they may have to or in the real estate in this petition described, either than as legatees under said last will and testament, that the said Franklin Snyder's interest to and in said real estate may be found, fixed and determined by the Court and that this Plaintiff may be ordered to pay the amount thereof to the said Franklin Snyder each of the proceeds of the sale of said real estate, that the dower interest of the said Martha Baye, widow, may be set off and assigned to her in said premises, that he may be authorized to sell said real estate, subject to said dower estate, out of the proceeds thereof to pay the debts of said decedent, to distribute the balance of said proceeds according to the terms of said last will and testament and the statutes in such case made and provided.

and Seven $\frac{7}{100}$ acres.

Said Plaintiff further says that items second
and third of said last will and testament, are
as follows:

Item 2nd, To gratify a desire of my said wife Martha
I do hereby order and decree that my said
fair and remaining personal property be sold or
offered for sale within a reasonable time after
my decease, at private or public sale as my
executors hereafter named may deem best in
part or whole.

Item 3rd, The proceeds of said sale or sales of my
property above mentioned (after paying all my just
debts, claims and demands) are to be paid and
distributed among all my heirs in the manner
following:

- 1 My beloved wife, Martha, shall draw her legal share
as the statutes provide for in such cases.
- 2 A legacy of two Hundred Dollars shall be paid to
my daughter Jane for extra services rendered my
family.
- 3 The balance of my estate after paying my
wife's share and Jane's Legacy shall be equally
divided among all my children or their heirs; namely,
Thomas, John, William, James, Jane, Ann, Elizabeth
Mary and my grandson, Elmer E. son of my

deceased son Robert. It is my will that all my daughters living at the time, shall draw their respective shares in their own names as persons and thereafter control and manage as their own estate,

Said plaintiff further says that by and in the foregoing items and other portions of said last will and testament it is provided that the real estate of said decedent shall be sold by the executors of said will, and that the proceeds thereof shall be distributed according to the terms thereof. Said Plaintiff further says that the said Martha Bayes, widow of said James Bayes, deceased, has not elected, and does not intend to elect to take under the will of said deceased, or to accept the provisions made for her therein, but does elect to be endowed of the lands of her said husband, and to take her distributive share of his personal estate, and is entitled to dower in all of the real estate described in this petition and whereof said James Bayes died seized.

Said Plaintiff further says that the defendant Franklin Snyder claims to have some interest to and in the real estate in this petition described, which is in part contingent, the precise amount of said interest and claims contingent and otherwise is to the Plaintiff unknown.

Wherefore, said Plaintiff prays that each and every of said defendants may be made parties defendant, to these proceedings, that each and every of them may be required to set up and disclose any title or interest they may have to or in the real estate in this petition described, other than as legacies under said last will and testament, that the said Franklin Snyder's interest to and in said real estate may be found, fixed and determined by the Court and that this Plaintiff may be ordered to pay the amount thereof to the said Franklin Snyder each of the proceeds of the sale of said real estate, that the dower interest of the said Martha Bays, widow, may be set off and assigned to her in said premises, that he may be authorized to sell said real estate, subject to said dower estate, out of the proceeds thereof to pay the debts of said decedent, to distribute the balance of said proceeds according to the terms of said last will and testament and the statutes in such case made and provided.
